Brick Paver Fundraising Program

**"Celebrating 50 Years of
Educational Excellence"**

Mona Shores High School invites you to become a lasting part of Sailor history. With a monetary contribution, your personalized, engraved brick will be permanently displayed in the new plaza located inside the newly renovated High School stadium or at the new restroom/concession building which will be located at the baseball field/tennis court facility.

Now is your opportunity to support Mona Shores with a donation that will last a lifetime. Your brick will leave a lasting impression and become a small monument to remain for generations to come.

YES! I would like to be included in this fundraising opportunity!
